**Registration Deadline: Monday, November 22, 2016**

*This enchanting musical is based on C.S. Lewis' adventure story about four children of war-torn England who accidentally enter the land of Narnia by climbing through a magic wardrobe. This strange and wondrous place is ruled by the cold-hearted White Witch who makes the winter last year round. Although they seem unlikely saviors, the children fulfill an ancient prophecy by defeating the witch, thus restoring sunshine and peace to the spell-bound Narnia and returning the great Lion King Aslan to his throne.*

### **The Orchestra Moves - Springfield Symphony Orchestra**

**Grades 3-5 | Wednesday, March 1, 2017, 10 a.m.**

**Registration Deadline: Thursday, December 15, 2016\***

Admission: \$5/student (one complimentary teacher admission per 10 elementary or 20 middle/high school students).

**For supplemental materials, contact Alek Peugh at the Springfield Symphony Orchestra at [alek@springfieldsym.org](mailto:alek@springfieldsym.org)**

*By any definition, music moves. Melody, rhythm and harmony all change, shift and develop. When an orchestra plays for us, we can hear sounds move as the musicians change their pitches, rhythms and dynamics. We can see the musicians' bodies move as they play. Through the Link Up repertoire with Carnegie Hall's Weill Music Institute offering hands-on activities and culminating in an interactive performance with the Springfield Symphony Orchestra, you will discover how the orchestra moves. Students will have the opportunity to demonstrate what they have learned by singing and playing a recorder or violin from their seats in the audience.*

*\*In order to fully participate in this hands-on concert, registration is requested by December 15, 2016. This will ensure that schools/teachers receive the necessary supplemental materials in advance. The Springfield Symphony Orchestra will contact those who have registered to explain this unique and exciting process. If registration is received after December 15, students will still be able to attend and observe the concert but will be unable to participate.*

### **DiNO-Light**

**Grades 2-6 | Corbian Visual Arts and Dance in Collaboration with Lightwire Theater**

Admission: \$5/student (one complimentary teacher admission per 10 elementary or 20 middle/high school students).

**Download the Study Guide:** [pac.clarkstate.edu/education-outreach/exploration-series](http://pac.clarkstate.edu/education-outreach/exploration-series)

*Lightwire Theater presents DiNO-Light as created by Corbian Visual Arts and Dance where electroluminescent creatures light up the darkness! In a heart-rending original tale, a famous scientist with magic powers brings a friendly dinosaur to life. When the dinosaur wanders away from home, he discovers a wonderful world full of creatures that light up the darkness and help him find the true meaning of love. This glow-in-the-dark adventure is unique and visually dazzling and has been praised for its cutting edge blend of puppetry, technology and dance by audiences all over the world.*

***DINO-LIGHT, formerly known as Darwin the Dinosaur, was the recipient of the prestigious Jim Henson Foundation Grant and first feature-length theatrical production created and performed by creators Ian Carney and Corbin Popp.***
